

Have you heard? Skyline PTSA seeks additional funds to maintain its current programs serving all students.

Skyline PTSA focuses on enhancing academic curriculum. We work with the school to bridge the gap where basic education funding falls short. We need your help in achieving our budget goals to deliver the best programs for all Skyline students.

Skyline PTSA compensates for education funding shortfalls with mindful fundraising to directly benefit students. As you may already know, education is underfunded statewide and especially so in the Issaquah School District.

The Pass the Hat fundraiser is the Skyline PTSA's primary fundraiser. Monies raised go towards our programs including staff grants, staff appreciation, and the Reflections Art Program. Additionally, during the 2008-2009 school year, the PTSA has committed \$8500 towards science consumables such as lab beakers and chemicals, used by all students in their science classes.

Fundraising questions should be directed to Skyline PTSA Co-Presidents:

Leigh Stokes, 313-7670, leigh.stokes@comcast.net
Heather Gillette, 427-1407, heathergillette@hotmail.com

I'm already a PTSA member but I want to participate in (or contribute additional money to) "Pass The Hat" (PTSA's Primary Fundraiser)
