

IB Diploma Candidate Agreement

In order to receive the IB Diploma, students must complete the following in grades 11-12:

- A student must successfully complete a total of 6 IB courses: One IB course from each of the 5 core subject areas - English (HL), World Languages, Social Sciences, Science and Math; and one IB course that is “free choice” – it may be from Fine Arts, or any of the other subject areas
- 3 of the Courses must be Standard Level IB courses
- 3 of the Courses must be Higher Level IB courses
- Students may only take 2 exams (SL) during grade 11, and must take the remaining 4 exams (1 SL, 3 HL) during grade 12
- Successfully complete the Theory of Knowledge course (ideally in grade 12)
- Successfully complete an Extended Essay in the subject area of the student’s choice. **Also**, students must present their Extended Essay to the community at an Extended Essay forum in the winter of the grade 12 year. (Equal to Culminating Project)
- Complete 150 total hours of Creativity, Action, and Service (CAS), roughly 50 hours in each category), verified by an adult supervisor
- **For each IB course and exam taken, the student must successfully pass ALL components of the course, including Internal Assessments and IB Exams.**

If a student fulfills all requirements **and** sits for the full IB Diploma, that student is eligible to have some other Skyline High School graduation requirements waived, under a law passed on April 29, 2011 by the Washington State Legislature, and signed into law by Governor Gregoire. This law allows students who have earned the IB Diploma have satisfied District graduation requirements, with the exception of Northwest Studies, US History, a Culminating Project and High School and Beyond Plan.

Students are responsible for being aware of, and completing, college and university entrance requirements at schools to which they intend to apply.

Failure to complete all components of the IB Diploma AND to sit for the full IB Diploma will result in the nullification of any waivers, and will require the student to complete all Issaquah School District graduation requirements.

By signing below, I am stating that I understand the requirements and stipulations stated above, and am committed at this time to completing the full IB Diploma at Skyline High School.
