

**Mission**

Skyline High School PTSA strives to enrich the learning and social environment for students and strengthen the Skyline community of families, students and staff members through advocacy, programs, volunteers, financial support, and close collaboration with Skyline High School and other Skyline organizations.

**Goals**

- Be an effective liaison between family, students, staff members, and school.
- Promote and support a positive learning and social environment for students.
- Provide programs that helps build a stronger community.
- Organize volunteers to support the school and associated events.
- Grow the community and increase family and student participation.
- Develop future PTSA members and student leaders.
